

## Desert Chronicles

Arrest Hitler  
quotes. Nasty shit  
& then the winking slug

line -Adolf Hitler. Re-  
flects our leaders! spit  
critics. Big deal! Belay

the HISTORY. A bag in  
an abandoned station.

Who needs old hat with  
burlesque, if murderous,

assholes when we got  
among us state  
of the art?

For the Nuremberg encore  
ponder Las Vegas. T&A

by the way of sleaze.  
Perfumed crotches &  
poisonous buffets,

plus “shows” headlined  
by zombie has-beens  
applauded by toads.

& what's easier to  
note than everything

's for sale? The very air  
shaking foils of dollar signs.

& so hot the dump-  
sters really stink.

Immediate & American.  
Odor in the courtroom!
